**Subject: Common format for PUC Certificate to be made applicable across the country-regarding.**

Madam /Sir,

It had come to the notice of the Ministry of Road Transport and Highways that there was non-uniformity in issuing of Pollution under Control Certificates (PUCC). States had their own format of PUCC with varying information. Mobile number was also not included in the form by some of the states. Earlier, there was no PUCC format prescribed in CMVR, 1989.

2. Accordingly, this Ministry constituted a committee to standardize a common format for PUC Certificate to be applicable across all the States/UTs incorporating mobile numbers of the registered owner. On the recommendations of the committee, Ministry of Road Transport and Highways vide G.S.R. 410(E) dated 14-06-2021 has standardized the PUC Certificate form to a common format, wherein the minimum required parameters are captured and confidentiality of the motor vehicle owner is ensured, to be issued across the country under Central Motor Vehicle Rules, 1989.
3. In view of the above, States and Union territories are advised to ensure compliance to the amendment brought into Central Motor Vehicles Rules, 1989 vide G.S.R. 410(E) dated 14-06-2021 to provide better services to citizens.

Yours faithfully,
